Luminaires for the use with independent control gear	<ul style="list-style-type: none"> <li>- Independent lamp control gear</li> <li>- § 1.2.29 – 3.2 – 3.3.1 – 12.4.1 h)</li> <li>- Information, advice</li> </ul>	OSM/LUM-ETF5	2019 ETICS Plenary Meeting
Question			
<p>Can a luminaire that is delivered without control gear comply with the standard?</p>			
Decision			
<p>A luminaire that is delivered without control gear may comply with standard, if all information and advice in the mounting instruction for the use of independent control gear is provided. The independent control gear needs not to be delivered together with the luminaire.</p>
