Luminaires to be assembled by user	<ul style="list-style-type: none"> - User - Earth connection - Ready-made plugs and connectors 	OSM/LUM-ETF5	2019 ETICS Plenary Meeting
Question			
<p>May luminaires assembled by user be accepted?</p>			
Decision			
<p>1) Such luminaires may be accepted if the user has no electrical connection to make: the earth connection is considered as an electrical connection. 2) Such luminaires may also be accepted if all electrical connections are made by means of ready-made plugs and connectors.</p>			
Explanatory notes			
<p>Each case has to be judged on its own merits.</p>
