| Temperature of supports for transformers IP 00 | - Temperature of supports - IP 00 - TRF | OSM/LUM-ETF5 | 2019 ETICS Plenary Meeting |
| Question | | | |
| <p>Note 1 of clause 14.2 states: “ In the case of transformers with a protection index IP00, the temperature of the support is measured, but the values given in Tables 1 and 3 are not considered”.</p> <p>Does this mean that the temperature of the support must always be given in the TRF as an informative value?</p> | | | |
